**This certificate is issued under section 22(1) of the Government Procurement (Judicial Review) Act 2018.**

The Delegate of the Commissioner of the Australian Federal Police (AFP), as the accountable authority of a relevant Commonwealth entity, issues this Public Interest Certificate as the Universal Tracking Platform procurement has been identified as not in the public's interest to be suspended while applications for injunctions under Part 2 of the Act are being considered, or complaints under section 18 of the Act are being investigated.

**Delegate Approval**

The Delegate approves the issuing of this Public Interest Certificate as a delay to the covered procurement would cause a real adverse impact to the public interest such as in relation to the health, national security, safety, public security or economic or financial well-being of the people of Australia or the functioning of any portion of the Commonwealth Government.

**This certificate will be published in the procurement Approach to Market (ATM), through AusTender reporting, and will be made available upon request from potential suppliers or by an Australian court.**
